Incoming Product Designer
August 2025

Anduril Industries

Product Design Intern
June 2024 - Sept 2024

Anduril Industries

Designed 7 solutions -- MVPs & north star concepts -- on reports & analysis for securing land and maritime borders, practicing complex problem decomposition, UXR, and solution alignment for 4 diverse customer groups.

Product Design Intern
June 2023 - Sept 2023

Anduril Industries

Owned the design of Anduril's first touch-based UI, a production-level hardware management interface for command & control of autonomous assets with a focus on data visualization, scope control, & visual design.

Conducted on-site usability testing sessions with AATC and veterans experienced in mission control.

Volunteer UX Designer
May 2023 - Aug 2023

Develop For Good

Designed a search engine for an NPO to match community partners and educational programs with art events.

UX/UI Designer
Jan 2023 - Present

UC Irvine Student Center

Design user-friendly mobile and web interfaces for internal & external university organization tools.

Build an adaptable design system unifying 10+ enterprise software tools increasing scalability and consistency.

Volunteer UX Designer
Oct 2022 - May 2023

Commit the Change @UCI

Designed a desktop data visualizer and query system for an NPO to support oceanic data efforts in SoCal

---

UX Design Intern
Oct 2022 - Dec 2022

The Good

Created 4 internal style guides to streamline design processes contributing to up to a +400% conversion rate.

Led team-wide research on style guides, design systems, and Figma component libraries.

Product Design Lead
May 2022 - May 2023

Product Association @UCI

Created & taught a 10-week curriculum in product design for a 30-student fellowship encompassing design processes, prototyping, market research, and pitch decks

---
